

A large circle with a thin black border contains the text and decorative elements. The text is centered and written in a cursive font. There are two clusters of decorative bubbles: one on the left and one on the right. Each cluster consists of several circles of varying sizes and shades of gray, with the largest circle being the most prominent.

*Use this glass,  
if you want a drink.  
If you want us to kiss,  
make it clink!  
Thank you for sharing,  
our special day.  
Take this glass home,  
and toast every day!*
