

YOU'LL need to take  
notes in the beginning

SO YOU CAN HOLD it together  
when things get tough

When things get a  
little nuts

SO YOU CAN PIN UP PHOTOS  
of us in the new office

When YOU need  
wings to soar

gotta be FLEXIBLE in  
the new position

YOU'RE SHARPER than  
the Rest!

gotta start off with  
ALL of the STAPLES

sometimes you need a sugar  
high to get through the day

FOR When the days  
get LONG

Because you're bound to  
make mistakes

You've gotta stay  
healthy

Stick to YOUR GOALS  
and go the extra mile

highlight the best  
PARTS of the new job

When things start to  
REALLY BLOW

so you can take me with  
you and never forget me!
